

SEX OFFENDER NOTIFICATION

January 11, 2013

The Clark County Sheriffs Office is releasing the following information pursuant to RCW 4.24.550 which authorizes law enforcement agencies to inform the public when the release of information on convicted felony sex offenders, who are required to register, will enhance public safety and protection.

The individual who appears on this notification has been convicted of a sex offense that requires registration with the Sheriffs Office. Further, his criminal history places him in a classification, which reflects the potential to re-offend. **HE IS NOT WANTED BY THE POLICE AT THIS TIME**

This individual has served the sentence imposed on him by the courts and has advised this office that he is living in the location below. An informed public is a safer public. Notification is not intended to increase fear. Sex offenders have always lived in our communities. The Clark County Sheriff's Office has no legal authority to direct sex offenders as to where they may live, work, or regularly be found. Unless restricted by a court order, sex offenders are constitutionally permitted to live wherever they chose.

Using this public information to threaten, intimidate or harass sex offenders will not be tolerated by the enforcement agencies of Clark County. This abuse could potentially terminate our ability to release this important information to the public. Web site is <http://communitynotification.com> Phone: 360-397-2284
